

Are you a career counselor?

Are you a trainer or adult
educator?

Are you an animator working
with vulnerable adults?

Do you assist users and / or learners with low digital skills, who need to strengthen their cognitive abilities?

Here is the right tool for you!

Ask4J*ask*4JB

Ask4Job is a path funded within the framework of the Erasmus+ programme by the INDIRE Agency (2017-1-IT02-KA204-036755) aiming at strengthening young people and adults' digital competences and cognitive abilities

The ASK4JOB path is an OER (Open Educational Resource) that can be used by labour market operators, trainers and adult educators

ASK4JOB supports the implementation of specialized orientation activities for career guidance or for the identification of professional, personal and/or career development paths

The Ask4Job path implements the Digcomp 2.1, that is the digital competence common European Framework, through 3 macro activities:

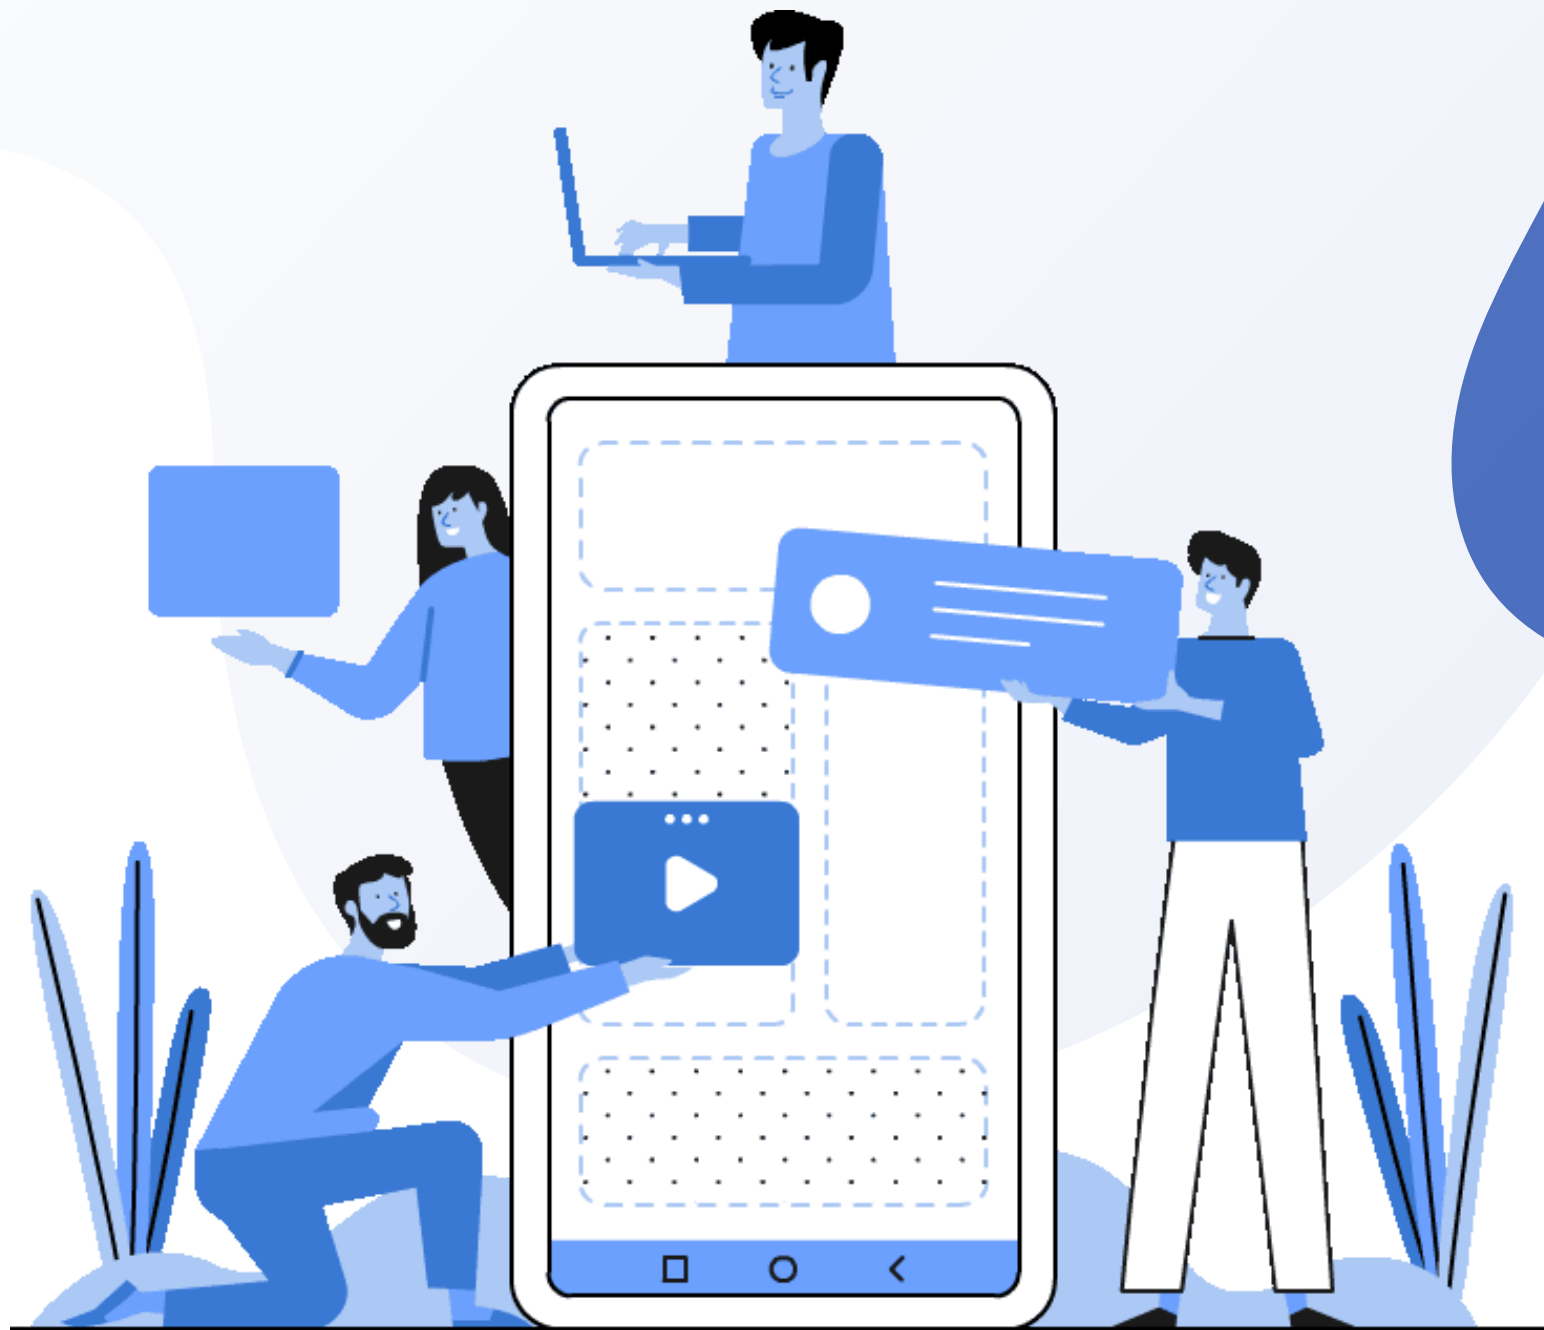

01

Online self-evaluation
test

02

Distance learning for the enhancement of digital competences and cognitive abilities

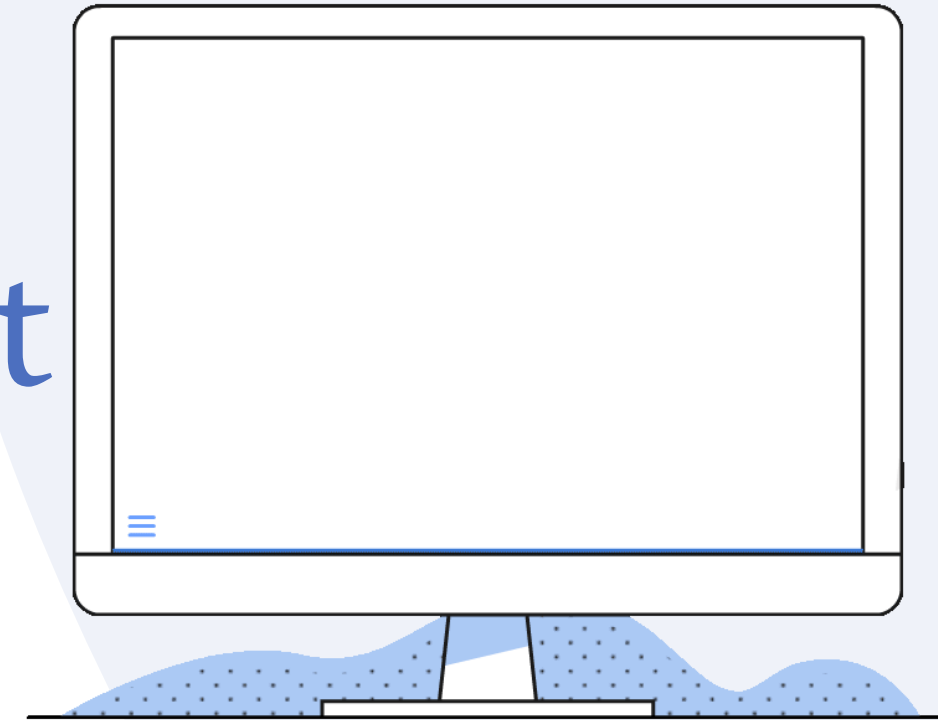

03

Capability laboratories to increase people' awareness of their digital competences and how to use them in the job search and/or career development

To learn more about the project visit
dedicated website
<https://www.ask4job.net/>
and download the guide to implement the
path
